C&C Milano fonda le sue radici su una lunga tradizione familiare e su uno spirito decor che trae ispirazione dalla bellezza dei materiali grezzi, conservando tutta la manualità dell'alto artigianato Italiano. Il nostro Lifestyle brand promuove un lusso contemporaneo, che comprende il servizio su misura e mette al primo posto la passione per un prodotto duraturo, e universalmente bello.

FRAGRANZE è la nuova collezione di biancheria per la casa di C&C Milano, in cui si fondono perfettamente stile e colore. Le varianti cromatiche pure e la semplicità delle linee, attraverso l'effetto dipinto a mano delle stampe per il letto, il bagno e la tavola caratterizzano questa collezione trasformista e contemporanea. Il Mediterraneo e i suoi litorali hanno ispirato i temi di colore che vanno dai blu ai verdi brillanti come fondali marini, e passando attraverso pallidi riflessi madreperlacei lasciano che accenti di calde spezie come il curry e la paprika riscaldino l'atmosfera. I set lenzuola, i duvet, le federe, i cuscini decorativi e i set da tavola possono essere mischiati e inseriti in un gioco di colori componibile per creare composizioni sempre impreviste ed emozionanti, per raccontarci e coinvolgerci nella decorazione.

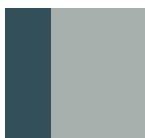

*C&C Milano's history is intertwined with linen manufacture and design. It is founded on the belief in the beauty of raw, ecological materials and ethical artisan craft. Our lifestyle brand promotes contemporary luxury, tailored bespoke service and the highest Italian quality. We never tire of enhancing your creativity, offering a timeless style to shape your design.*

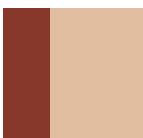

*FRAGRANZE, the new home collection, has a focus on colour and style to create maximum impact. Simply shaped home designs together with a combination of solid colours and brush effect printed stripes for bed, bath and tableware. Available in vivid hues and highly tactile fabrics this evocative collection creates an inspiring living space.*

*The colour themes are taken from Mediterranean landscapes, embodying four aspects of the coast. The Mediterranean scrub with its blue-greenish tones, warm touches of spicy paprika and curry, the precious transparencies of mother of pearl and the captivating blues of the sea depths. You can play with whites and colours to create your own set of sheets, bath towels and place mats; the printed finish will add Mediterranean warmth and personality to your entire home.*
