Total recall

C&C Milano, Materassi/Cuscini

Capitalizing on the natural light in the great room, Ori created two living areas. The neutral hues of his furniture are just filled from Restoration Hardware and items designed by Ori. He added color with cushions in C&C Milano's Materassi fabric and Fermob's Plan. In the blue, there is also a display of mid-century pottery from Colby Danish Metalquartz.

It was a little scary at times, working in a somewhat unfamiliar idiom, but that was also the fun of it
